

REMARKS/ARGUMENTS

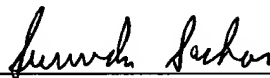

Favorable reconsideration of this application is respectfully requested.

In the Office Action of May 10, 2005, the Reissue Declaration was objected to as not including the language that the person making the oath or declaration believes the named inventors to be the "first inventors" of the subject matter claimed. In response to that communication, submitted with the present response is a Supplement Reissue Declaration making the above-noted statement.

The Office Action of May 10, 2005 otherwise indicated that the application would be in condition for allowance in view of filing such a supplemental declaration. Therefore, all issues are believed to have been answered by the present application and the present application is believed to be in condition for allowance.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
